"Take a look at this!" - The Free Library of Philadelphia's Library for the Blind and Physically Handicapped (LBPH), as part of the National Library Service for the Blind and Physically Handicapped serves Pennsylvania residents whose low vision, blindness, or disability makes reading a regular printed page difficult.

The LPBH mails books and magazines in audio, large-print, and Braille formats directly to enrollees at no cost. Selected materials are also available online for download, and are accessible through smartphones and other mobile devices. In addition, LBPH staff provides outreach statewide about all of these services.

More than a "Red Kettle!" The Salvation Army's roles in every community go way beyond the impression many people have about this historic organization. Did you know about Disaster Services, Emergency Financial Assistance, Food & Nutrition Programs, Seasonal Services, Casework Services, Transitional Housing, Worship Services - Church, Music & Arts Programs, Latchkey Programs and on and on?
