What's this all about!

If you're not sure what the Lancaster County Office of Aging does or what the PA Link is all about, maybe you'll want to drop in Tuesday morning for a conversation about this federal, state & local initiative that's geared to the questions that people may have about services for persons age 60 and over; persons with a disability; veterans; family members and caregivers.

And what's this "Tuesdays at nine."

Let's talk about this or anything else you may want to ask
