At a Death Cafe, people you may know or not know, gather to savor delicious cake, coffee and conversation about mortality as a way to make the most of life.

In the ZOOM Death Cafe, this becomes a relaxed, quite informal and in your own space setting with no speeches, no sales pitches and no agendas. Instead, the conversation is set by you and others in the ZOOM room. This is not a grief or

support group — just a cordial space to discuss the inevitable. The Death Cafe is **FREE** but seating is limited; please register in advance.
