

FREE WEBINAR

THURSDAY, MAY 6 • 11 am to 12:30 pm

Is Assistive Technology just a device?

Spend an unforgettable hour or so with **Shelly Houser**, Ability In Motion's resource manager, to get a remarkable insight into assistive technology and how it "not only enhances our capabilities but encourages our independence and inclusion within society."

Shelly's passion for equality, education and empowerment has become the core value of not only her work, but her everyday life.

Her personal story is so compelling; her vision and enthusiasm so riveting and her presentation is so dynamic, you'll come out of this WEBINAR with a whole new understanding and appreciation for life itself.
