What Does a Volunteer Do?

Each volunteer becomes a valued member of our team by supporting our commitment to quality and compassionate care.

A number of meaningful opportunities are available to match a volunteer's skills and interests including:

- **Wayfinding**
  In the ever-changing world of health care, our patients and their guests appreciate the guidance of volunteers who are eager to help them find their way.

- **Patient Care**
  Provide compassionate conversation and conduct activities with patients and their guests.

- **Office Support**
  Busy offices need assistance with filing, copying, correspondence, and more.

Our Values
- Quality and Safety
- Dignity and Respect
- Caring and Listening
- Responsibility and Integrity
- Excellence and Innovation

Why Volunteer?

Enjoyment
Happiness can be contagious, and volunteering helps bring happiness to those in need.

Health
Volunteering keeps you healthy by promoting physical, mental, and emotional activities.

Stress
Volunteering can help lower your stress levels by allowing you to focus on helping others.

Friendship
Volunteering helps you meet new people, make new friends, and strengthen your relationship with your community.
