

Vision for Equality
Serving People with Disabilities and Their Families

You are invited to LUNCH and to share your VOICE at DEC!

We all live in this world. Our Communities impact how we identify ourselves, what we think of others and how we welcome everyone to the table – or not! How can we improve our community? What can Individuals do? What can DEC do?

- Join us in person or on zoom for a **COMMUNITY CONVERSATION*** discussing our communities –where we live, play, go to school, work, and aspire to a better life.
- Everyone is welcome. There is no prior information needed.
- This is a discussion about the reality of acceptance, understanding and impact as is defined by race, ethnicity, sexuality, disability and poverty.
- **LUNCH is provided for individuals attending in person**
- This information will be used to impact DEC & future grant funding in PA for people with disabilities
- If you can't attend in person, join by zoom! We want to hear your ideas!
