

IF YOU SERVED *you can* DREAM

YOUR HELP sharing this program with veterans in need enables us to fulfill their final dreams. Dreams range from basic need items (like a working appliance or wheelchair ramp) to bedside reunions, final vacations with family, meetings with personal heroes or reconnecting with aspects of former military service.

Dream recipients are U.S. military veterans 18 years of age or older with a life expectancy of 12 months or less.

Dreams for Veterans collaborates with America's hospice professionals and veterans organizations in all 50 states to meet the unique needs of our nation's veterans.

GET INVOLVED There are many ways to get involved including referring applicants, helping to make dreams come true, or donating time or resources to Dreams for Veterans.

Dreams for Veterans is a program of Dream Foundation.
